

Easy to do it...

## Patou Tips #6

# Create Customized Icon

(with PowerPoint  
for PowerBI)

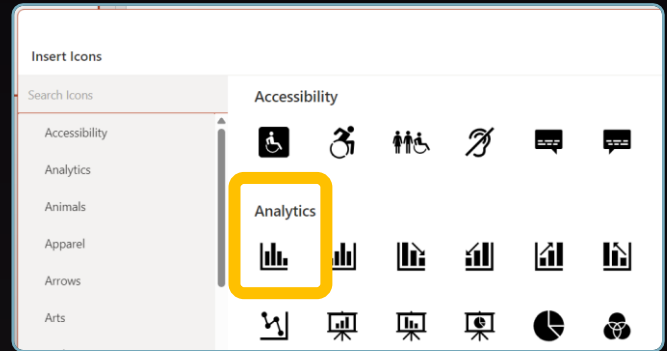

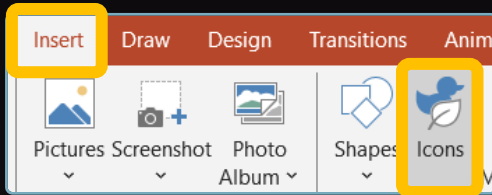

1

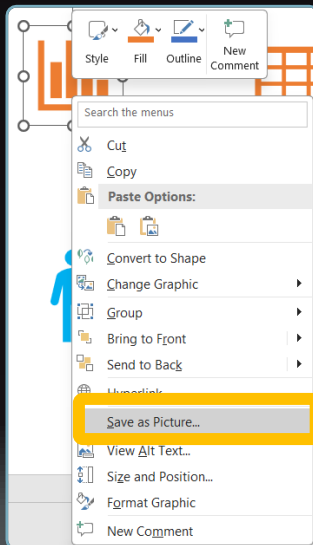

# Create a transparency icon in PowerPoint

Choose an icon from the PowerPoint library

Right click on the new icon and select "save as Picture"

You can change the color of the icon in PowerPoint before to export it

File name: Button\_Chart\_Orange.png  
Save as type: PNG Portable Network Graphics Format (\*.png)

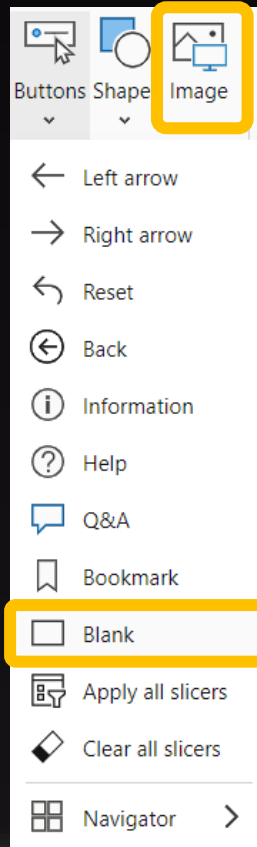

2

## Import icons in PowerBI

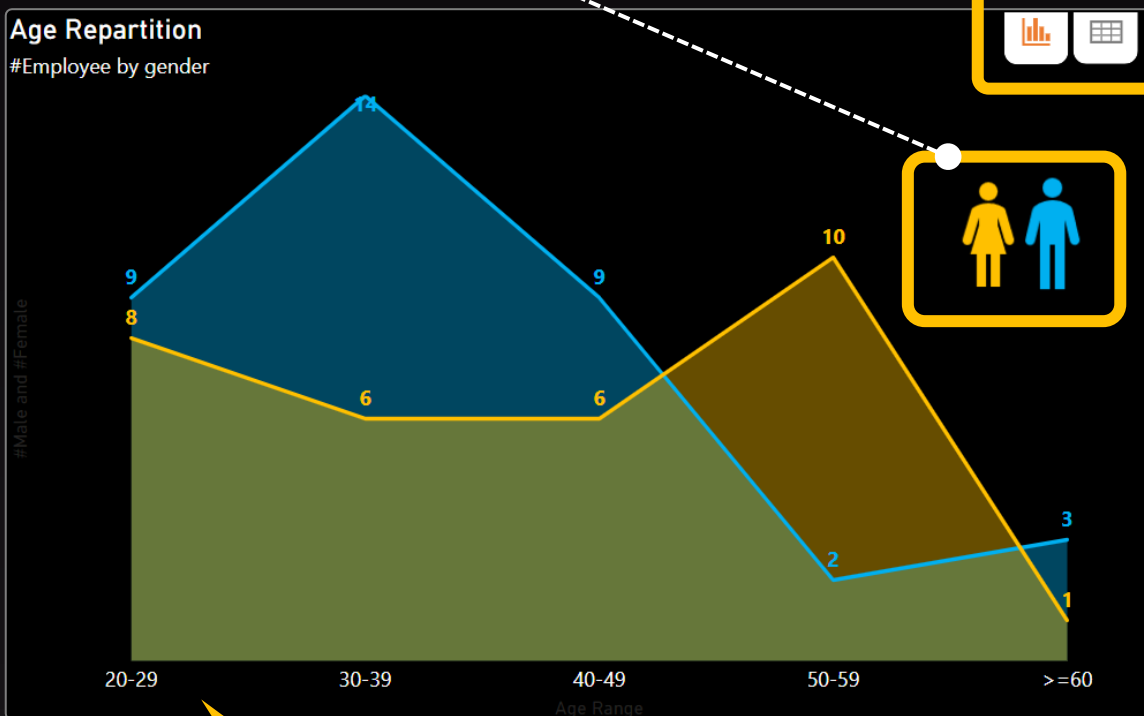

Import to create a  
button navigation

Import to create  
graphic elements

3

## Go further (example)

Graphic  
elementsButtons  
navigation

Next Patou Tips (#7) we will see how to  
create an "HR customized charts"

Don't forget!  
This isn't the truth, it's just my truth!
